

Queensland Connects

1 Assess eligibility

- Are you based in regional Queensland / have application partners in regional Queensland?
- Are you passionate about supporting and growing the regional / sectoral innovation ecosystem?
- Do you have a group of regional leaders who are interested to work together to achieve a common goal:
 - What innovation / entrepreneurial problem are you and your team trying to solve for your region / sector?OR
 - What regionally significant and globally relevant opportunity are you trying to leverage for your region / sector?
- Are you able to commit to six full day workshops and in-region action planning sessions over the coming year?

2 Gather your evidence

- Nominate a potential team of regional / sectoral leaders that includes representatives from the following groups:
 - Government/Economic Development
 - Entrepreneur
 - Corporate
 - University
 - Risk Capital
- Do you know the major industries of your region?
- Do you know what's currently emerging in the innovation/entrepreneurial ecosystem of your region / sector?
- What is the vision of your team to achieve success for your region / sector?
